Join Session Now

To join this training session, provide the following information.

Your name:

Email address:

Session password:

Join Now

 [Join by browser](#) **NEW!**

If you are the host, [start your session](#).

Follow the prompts and type in your name and email address, this will help us to get an accurate list of attendees for the minutes.

Select "Join now" to download the app to join the meeting – allow 15 minutes to download the browser.

If you select, "Join by browser" you are not required to download an app.

The best browsers to use are Chrome and Firefox.

Then Connect Audio

Use the drop-down menu to see the call in number (just click the “v” to show the drop-down), and it will give you:

- phone number
- access code
- attendee ID number (to link your computer and phone)

Connect to Audio

OR ask Webex to
call your phone

1. Join Training Session

2. Connect to Audio

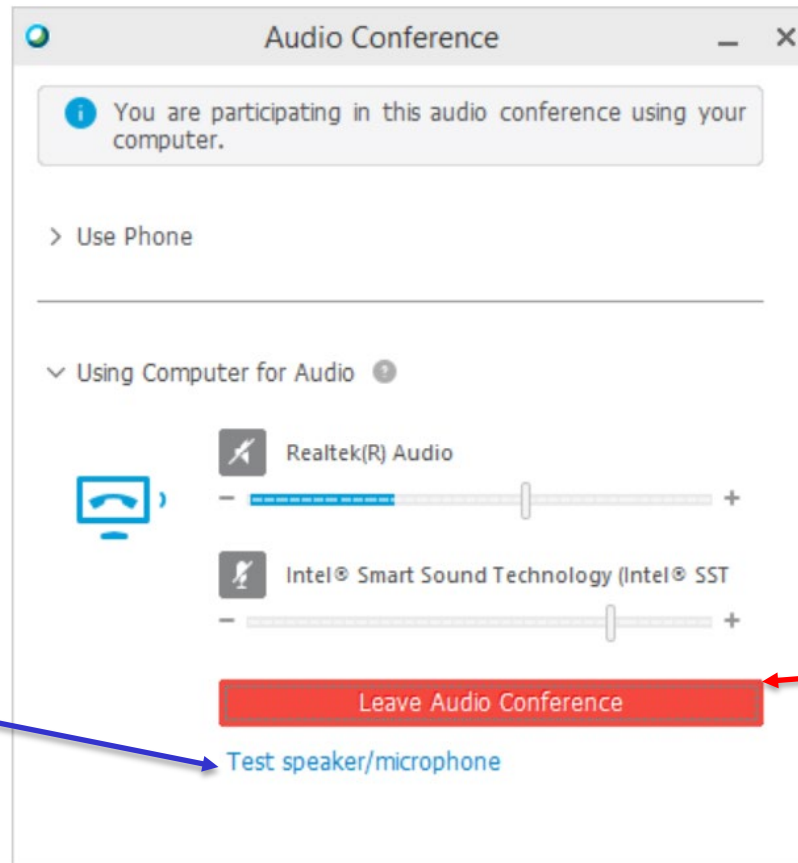

Or use your computer audio

A screenshot of the Webex "Audio Conference" window. The window has a title bar with a green icon, the text "Audio Conference", and standard window controls. Below the title bar is a grey box with an information icon and the text "Use your phone or computer to join this audio conference." The main content area is divided into two sections. The top section is titled "Use Phone" with a dropdown arrow on the left. It shows a blue box with the number "1-5302228575" and a dropdown arrow on the right. Below this is a checkbox labeled "Join the teleconference without pressing *1" which is checked. A green button labeled "Call Me" is at the bottom of this section. The bottom section is titled "Use Computer for Audio" with a dropdown arrow on the left. It features a green button labeled "Call Using Computer" and a link labeled "Test speaker/microphone" below it. Red arrows point from the text annotations to the "Call Me" button and the "Call Using Computer" button.

Join using the computer audio

- Test your audio, can you hear? Is your microphone working?

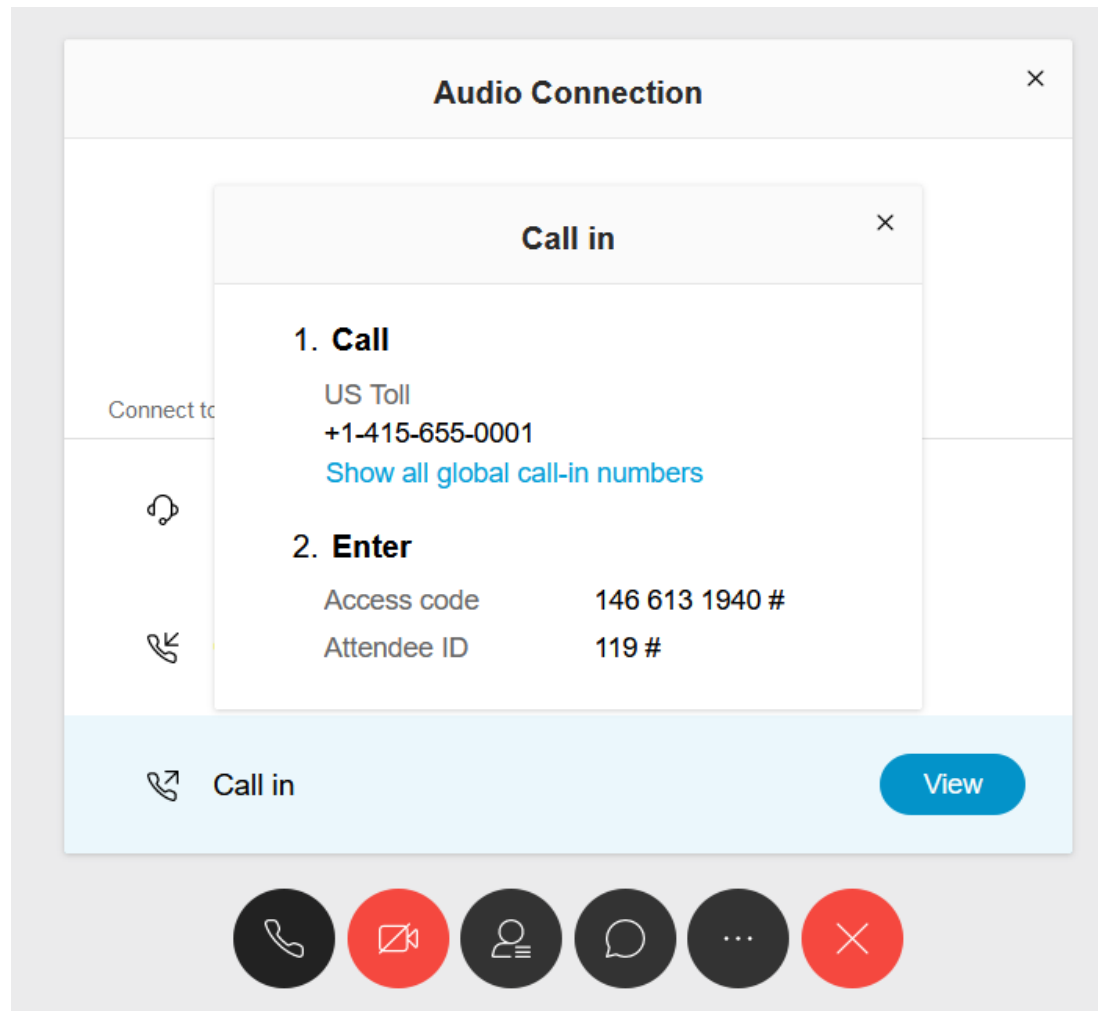

Click here to test if you want to use your computer microphone or a headset

If you click here you will leave the audio conference.

Browser Audio Call In Option

- If you have clicked on the drop-down menu for call in, you will see a number to call, an access code and an Attendee ID
- The Attendee ID will allow your computer and audio to sync

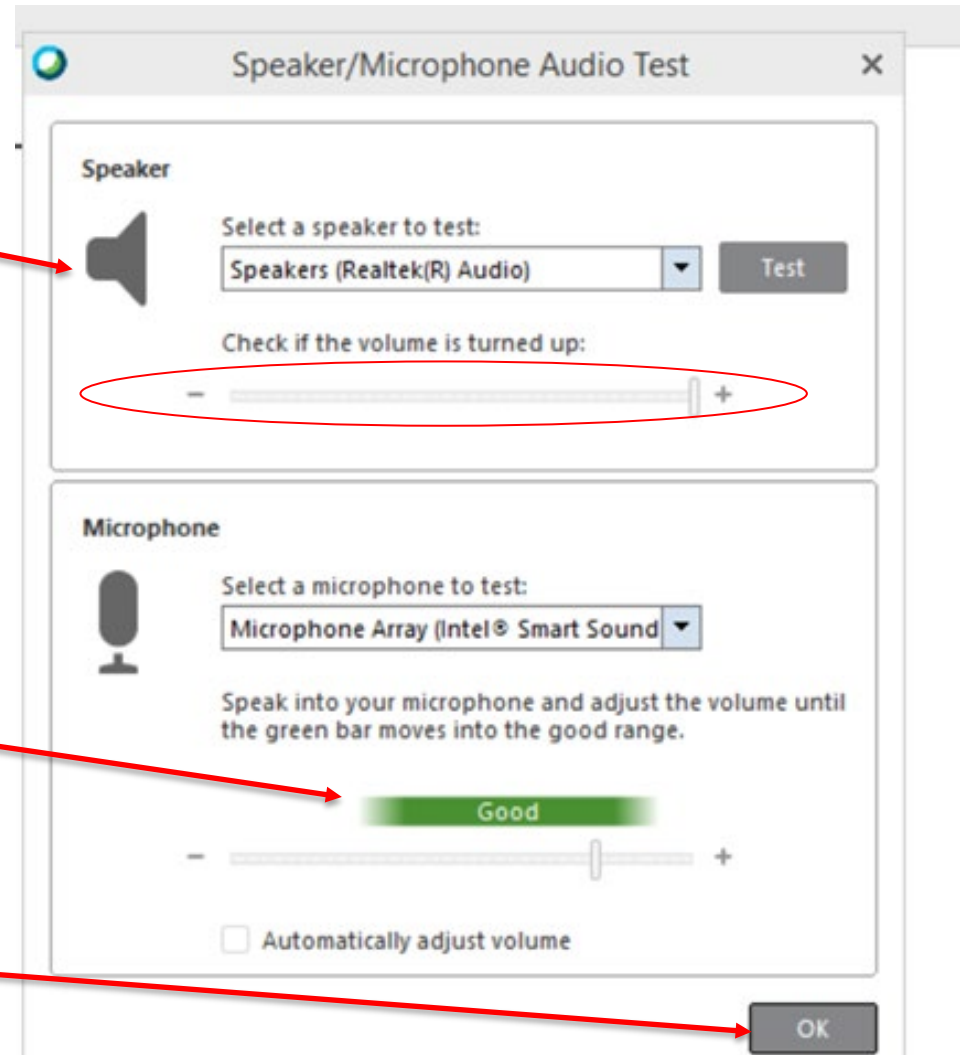

Test, Test, Test

Does the bar for the speaker move when you test it?

Does your microphone sound “good”?

Then say OK!

- **Webinar Etiquette:**

- **Please self-mute your audio to avoid feedback or background noise**

- **If there is too much background noise, the host will mute all lines, and reopen them during the discussion session.**

- **Please use the raise your hand icon if you have a question or clarification during the presentation.**

- **This is a presentation only, there will be no video sharing**

If you are on the phone only....

- If you have questions, please make a note and there will be a discussion period following the presentation when you can ask your question.
- Meeting Materials will be available at https://www.bracpmo.navy.mil/brac_bases/california/former_shipyard_mare_island/meeting_material.html
- Contact Scott Anderson (scott.d.Anderson@navy.mil) if you need a copy of the Draft January RAB Meeting Minutes
